“The most outdoor fun you can have indoors!” Pack 21 has led day trips, and even an overnight sleep over, at Boulder Morty’s rock climbing gym. The boys and parents rave about the experience.

Pack 21 Cub Scouts, siblings and friends had a blast at the Bike Rally Pack Meeting. We engage in a wide range of activities, so boys can revel in what they already excel in, and get exposed new things too.

The Pinewood Derby is a big event for boys - of all ages. Trophies are awarded for the three fastest cars in each den, **and** the “wackiest”, “most original” and “most awesome”.

Pack 21 also believes strongly in community service. Every Pack meeting for many years the Cubs have collected food and other items for Loaves & Fishes, the local food service and provider of emergency shelter.

We’ve also dedicated our December Pack meeting to making craft gifts for the Littleton Council on Aging “Meals on Wheels” program.

The Pack also learns new things together. Here are some of the Cubs, friends, and parents at Teepee Archery where we learned about the fun, and safety aspects, of the bow and arrow.

**All boys are  
welcome!**

**Come join the fun!**

Cubs and siblings work with their parents building and racing fun projects, such as the “Space Derby” above, or the “Rain Gutter Regatta” boats to the right.

Pack and den events cover all kinds of experiences. Below is a Pack event where we slept over on the Battleship Massachusetts.

The Pack embraces out door activities of all kinds. Above a den is exploring a fantastic outdoor rail road in a nearby town forest.

The “Freeze Out” (aka “Winter Holiday”) has become an annual winter over night at Camp Split Rock where Cubs, siblings and parents reach back to simpler times.
